

REMARKS

This application was filed with the title "Zn-Base Semiconductor Light Emitting Device and Method of Fabricating the Same". The Filing Receipt (dated October 1, 2004) recorded the title of the application as "Semiconductor light-emitting device and method for manufacturing same".

Applicant respectfully requests that the application carry the title of "Zn-Base Semiconductor Light Emitting Device and Method of Fabricating the Same" as filed with the US Patent Office.

Respectfully submitted,

Ronald R. Snider
